### "It's time to ARISE in the LORD"- Isaiah 60

Jesus' first coming is likened to the sunrise, and Jesus Himself is called "the sunrise from on High." For years now; as men, we have been living in darkness spiritually speaking. But the coming of Jesus signified the dawn of a new day. Many of us who walked in darkness have been able to see a great light; those who lived in a dark land, the light has shone on them. He is the sunrise from on High and His light shines in the darkness of our own lives and in that light we can see! We can see ourselves for what we are. You can see the Lord Jesus for who He truly is. You can see the purpose for your life. You no longer have to come to the end of your life not even knowing why it began! God declared 'Let there be light!' in the life of every born again Christian man and there shall be light. **It's time to ARISE in the LORD!**
